

FOOD AND EVENT

GIPPSLAND

BEVERAGE

The Food and Event team will tailor a beverage package option specifically for your event. Where possible we select local Gippsland wines and brewery beers. Alternatively, we welcome self supplied beverage functions.

Packages will be customised to suit your needs to include cocktails, a great way to start your special event, detailed wine selection handpicked to match your chosen menu, beers can be provided on tap or served in bottles, refreshing non-alcoholic drinks and mocktails, freshly brewed coffee and a selection of teas.

Beverages can also be charged on a consumption basis, or as a minimum spend on the bar.

Self provided beverage events may incur a corkage fee per person. Ice for self provided beverage events will be at the client's own cost.

Liquor Licensing requirements apply. Please refer to our trading terms and conditions for further information.
